

END-TIMES EXPECTATIONS

A Bible Study Seminar for Men and Women

Presented by: Lampstand Retreat Ministries

Emerging military threats with North Korea, China's call for global currency, worldwide economic upheaval, increased use of implant chips, and ongoing conflicts in Israel among other global events has fired up interest in end-time prophecies, a one-world economy, and the return of Christ.

Since the day Christ left earth in a cloud believers have eagerly awaited His return. Jesus had reminded His followers often to keep alert and watchful, and through His Word He has revealed what we should expect preceding His return so that we will not be shaken, and how we are to live in light of it.

This powerful, interactive seminar will be led by author and Bible teacher Angela Spitzer, who has been teaching inductive Bible studies, speaking at retreats, seminars, and special events, as well as discipling women for over 25 years. She will take us through the book of Revelation and other key end-time Scriptures and guide us in constructing a complete time-line of end-time events as we learn what we can expect from God, and what God expects from us in these last days.

"For you yourselves know full well that the day of the Lord will come just like a thief in the night. While they are saying 'peace and safety'! then destruction will come upon them suddenly...But you are not in darkness that the day should overtake you like a thief; for you are all sons of light...let us be on the alert..."
(1 Thessalonians 4:2-6)
